

**Disability.Inc – Incorporating Inclusivity**

# WECIL – Supporting Independent Living

- Provide a service for all Disabled people, whatever their background or needs;
- Lead in best practice for the delivery and development of services that support Independent Living;
- Deliver value for members, funders and service users by providing services that make a difference to people's lives;
- Challenge barriers to Independent Living wherever we encounter them;
- Include the views and opinions of all the people who use our services in everything we do;
- Are seen as the first place to go by anyone looking for support for Independent Living.

# Meet WECIL's Access & Inclusion Team

---

WECIL's Access & Inclusion Team (WAIT), formerly known as Bristol Physical Access Chain (BPAC), is a group of disabled people who volunteer their time to improve the quality of life, inclusion and access for all people in Bristol. WAIT work with building owners, organisations, developers and service providers within the private and public sector to improve and promote access and inclusion for all within the built environment.
