

Christmas Team Building

2022

ADD SOME FESTIVE FUN TO YOUR NEXT CONFERENCE

We love Christmas at ACF Teambuilding and Events! Nothing beats seeing a room full of people enjoying themselves and winding down for the festive season.

We can provide a range of events, including Game Shows, Themed Evenings, Team Games and indoor / outdoor activities. From a simple team bonding session of Axe Throwing, or a fully themed venue with entertainment and catering. Whether you have a small group of 8 for half a day, or 4000 guests, we can put together a Christmas do to suit.

The following pages detail our top team building ideas for Christmas 2022.
