INTRODUCTION

Located in the heart of Bristol, boasting excellent transport links to the M4 and M5 motorways, Bristol Harbour Hotel is in the perfect location. Fusing two iconic former bank properties to offer contemporary luxurious accommodation with impeccable design & spectacular event space, right in the heart of the city.

Renowned architect William Bruce Gingell is behind the remarkable design of the former Lloyds Bank building, inspired by Sansovino's 16th century Venetian Library. Stay in one of the 42 luxury bedrooms, some with spectacular views over St Nicholas Market, from superior double bedrooms, to our exclusive corner suites, featuring roll-top baths.

Dine in the multi award-winning Jetty Restaurant, or enjoy daily changing cocktails at The Gold Bar, a den of opulence, featuring stylish banquette seating, cosy corners and decadent lighting. The former basement bank vaults have been transformed into our luxury Harbour Spa, offering an indulgent urban retreat.

KEY FEATURES

The Sansovino: The grand former banking hall now serves as our impressive event space offering beautiful historical detail and a magnificent sky light, providing a stunning backdrop for a diverse range of occasions, from Award ceremonies, Exhibitions & Weddings to Corporate functions and Christmas parties.

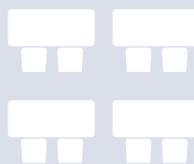

The Vault: Formally one of the original banking vaults of the hotel, this beautifully refurbished room features iridescent walls, a built in Sonos sound system & can provide a unique setting for events from 10 – 80

The Blue Room: Formally the Bank Managers office! We have transformed the Blue room to become a den of opulence, within the Gold Bar. With its high ceilings, stylish décor and design, along with a sumptuous large bespoke sofa to incorporate into your event. The room boasts natural daylight overlooking Corn St & perfect for boardroom meetings, intimate dinners or drinks receptions.
